Since the original prospectus of the Maharaja of Mysore Mill was issued to the public Rs. 4,14,120 has been subscribed ; a substantial building nearly completed on a most favorable site in Bangalore, Engines, Cotton Machinery, and appliances embodying the latest improvements from England is being erected therein, and all conditions fulfilled for starting a successful cotton industry in the Province of Mysore.

Before starting work, however, it is necessary to allocate 285 unallotted shares, and the Directors in bringing the above facts to notice beg to point out that inasmuch as the Mill will actually begin earning Revenue in a few weeks, the present time is most favorable for intending investors, inasmuch as profit on outlay will at once accrue to the shareholders.

Preference will be given to existing shareholders in the allocation of the new allotment.

Form of application can be obtained from the undersigned who will be most happy to furnish copy of Articles of Association or any other information in connection with the Mill that may be required.

Notice is hereby given that the offices of the above Company have this day been removed from 1, Cunningham Road, Bangalore, to "Belmont," High Ground, Bangalore.

Application for passes to view the Mill should be made to the undersigned, who will be happy to furnish any information as to the position and prospects of the Company.
